

Election Statement – York City Supporters Trust – 22nd January 2018

My name is Richard Hall. I have supported City since 1971 and have been a season ticket holder for 20 years.

I worked as a graphic designer/illustrator in Group Creative at Nestle for 28 years.

I took early retirement 11 years ago and have done freelance graphics and developed my painting and illustrating skills since then.

I enjoy team working and being creative which can be useful in the fundraising and publicity side of things.

I am pleased to put myself forward for the YCST Board and feel that I can help the Trust in it's efforts in working together for the benefit of YCFC.
